CERTIFICATIONS

Student Ambassador TechFest IIT Bombay

CCNA: Introduction to Networks Cisco

I am a 5th sem student pursuing Bachelors in Computer science studies with a specialization of Software, from CGU bhubaneswar. I am a Tech enthusiast, Web-Android developer, Freelancer and a part-time Youtuber. I love to play around with algorithms & data structures with a knack of Android Development as well, currently I'm sharpening my grip over Java Full-stack development. I am looking forward to a challenging and growth oriented career that could help me enhance and administer my technical skills for providing solutions to real life problems in a dynamic and versatile workplace.

WORK EXPERIENCE

Hacktoberfest
Opensouce Contributor

Google Cloud Platform
Participant

Smart India Hackathon
Participant

GirlScript Summer of Code
Contributor

Made an app for small enterprises and built the fastest delivery method at a low price.
